

## On This Side Of The Sun

By Phat

**QUESTIONS** — Having been a resident of Palm Springs for one year and one week, can now be considered a Villager and therefore entitled to ask personal question. . . . Why—since this is Palm Springs—didn't they line the curbs of Palm Canyon drive with Palm trees? Instead they have Parkinsonia trees, not so good-looking (my own opinion) and not much for shade. . . . Next time en route to Los Angeles and passing through Ontario, look at Euclid avenue and see what Palm trees, lining the curb, can do to beautify a town. . . . Understand the reason there are no street lights here is because they want to keep the Village touch. All right, how about some nice, rustic-type Village lamps, especially where the sidewalk is bumpy—or just isn't?

**SOME MORE**—While I've got my neck out, here are two more. Why, in a place where the sun shines almost every day in the year—and how!—do they paint buildings a glaring white? It's tough on the eyes. . . . At the postoffice they could use a little more light so that the combinations would be more visible and you could open your box in the lower tiers without standing on your head. . . . Oh, I know. The white is used because it is best in a hot climate. . . . And don't tell me my eyes are bad. The standard attire here makes it no place for a man with bad eyes.

**EFFICIENCY** — In Florida, where the grapefruit grows and good, soldiers were getting canned grapefruit juice at breakfast until someone finally saw the folly of that. . . . In California an over-age non-com was refused a commission although an expert in a certain much-needed line. Upon his discharge, still a non-com, he was offered that same job at \$80 more a month than he would have made if commissioned. . . . And Imperial farmers were refused certain needed items last March by authorities in Washington because these items could not be used at that time—March was the month of deep snows.

**ODDS AND ENDS**—Sept. 9 is Admission day, marking the 93rd birthday of the state of California. It is also the day the third war loan campaign starts. Admission day takes a double meaning this year. State holiday and the day you pay your admission to a Free World. . . . All four Macartney brothers are ministers. Do you know of any family where all members are in the same profession or business? . . . At the 21st Ferrying Group base, the Station Dispensary is solving the man-power problem in its own way, says Twenty One, the post newspaper. Six of the men there are expectant fathers.

**LABOR SAVING** — That new deal of the California Power company, just reading meters and billing for same, once every two months to save man-power and time reminds me—the Los Angeles Bureau of Light and Power did the same thing. They only sent bills out every other month to save labor and postage stamps. Then, on the odd months, they sent letters to their customers telling them they wouldn't get a bill that month, the company was saving labor and postage. . . . In Salem, Ore., heads of the forestry department are puzzled by a voucher from a district chief which read:

One horse . . . \$50.00.  
One meat grinder . . . \$2.60.  
What, no catsup!

**TIMELY** — Marine leaders recently conducted a survey of their forces in the southwest Pacific to see what the Leather- (Continued on Page Eight)

## Four Missing Hikers Found in Village

Tired and hungry and scratched by bushes and bruised by rocks, four weary youngsters stumbled into Palm Springs Monday afternoon after almost three days of wandering down the mountain side from Tahquitz Peak and were quickly re-united with their anxious parents who hurried here when word of their rescue was flashed to them.

The quartet, members of a Christian Endeavor group which had gone on a hike to Tahquitz Peak Saturday morning to witness the sunrise, were Nancy Cook, 17, of Burbank, Walter Costello, 15, Burbank, Marian Gilchrist, 16, San Diego and Earle Isbell, 14, National City.

### HUNGRY AND TIRED

The hikers started out before breakfast from their idyllic camp and so it was, that when

they wandered into the Village Monday afternoon, they had been practically without food for three days and that was their first request after asking police to notify their parents they were safe.

The quartet became separated from the rest of the group when they took the wrong trail. When they realized they were lost, they sought the nearest stream and started to follow it downward. (Continued on Page Eight)

## Villagers' Son Missing in Air Action

Capt. Smithwick  
Lost After Raid  
On German City

Captain Michael H. Smithwick, bombardier of the eighth army air force in England and youngest son of Mr. and Mrs. Frances J. Smithwick of Palm Springs, is reported missing in action over Gelsenkirk, Germany, after a daylight bombing raid on August 22, according to word to his parents this week.

He was in a Flying Fortress known as "Inferno," a plane of which he was very proud and which he described in glowing praise in letters to his parents.

### IN COMBAT DUTY

Capt. Smithwick was only 22 and he and two other young captains in the crew were known as the "Captain Kids." He had been in combat duty since last May and had been awarded the coveted air medal after an especially successful engagement over Germany on July 4.

Capt. Smithwick's early education was at St. Michaels college in Santa Fe, New Mexico, the Smithwick family at that time residing on a ranch in the mountains nearby. From there he went to the Abby school at Canyon City, Colo.

### ACTIVE IN FLYING

Qualifying for the air corps, he trained at Ontario, Santa Ana and Victorville, graduating from the bombardier school in September, 1942, and being commissioned a second lieutenant. After three months he was promoted to a first lieutenant and with a picked crew of squadron leaders and instructors went to many fields in the nation, instructing and preparing crews, as well as continuing to be instructed, at Walla Walla and Spokane, Wash., Rapid City, South Dakota, and fields at Boise City, Idaho, and Salt Lake City. His last United States address was Kearney, Neb.

Early in May he went to England and was attached to the Eighth Air Force of which he was tremendously proud. He declined an instructor's position and asked to remain on combat duty. He was promoted to captain, together with his pilot and navigator soon after reaching England.

### PROUD OF "INFERNO"

In interesting and cheerful letters to his parents he spoke of his crew as so well trained that nothing could go wrong. Of the "Inferno" he wrote: "It's the best" (Continued on Page Eight)

### James Linthicum Is Appointed Member of Village Police

City council Wednesday night accepted the resignation of James Collings as patrolman on the local police force and on recommendation of Chief of Police Lyle J. Sanard, appointed James Linthicum as patrolman to succeed him.

Collings resigned as of August 6. Linthicum has been serving in his stead since then pending approval of city council which was given this week.

**MISSING** — Capt. Michael H. Smithwick, 22, son of Mr. and Mrs. F. J. Smithwick of Palm Springs, reported missing in air action over Germany.

## Elementary School Staff is Completed

With the teaching staff completed and all major items disposed of, Miss Katherine Finchy, Desert School district superintendent, and her staff were cleaning up minor details preparatory for the opening of a new school year a week from Monday.

While the faculty for the district's four schools was staffed, there were still bus drivers and janitors to hire and the question of finding suitable living quarters for all to consider.

### EXPECT GAINS

Peak enrollment last year was 600 in the school system and Miss Finchy believes that this may be exceeded this year. Plans for expansion if need be have been mapped and the schools were ready for the year.

The gain in enrollment took a sharp jump last year after a steady climb for the past four or five years. Because of seasonal activity here and the many children of military families stationed here in the school, the enrollment shows a greater turn-over than in other school districts.

### ANNOUNCE FACULTY

Miss Finchy announced the schools staff as follows: At Frances S. Stevens school: Eileen Carey, principal; Ruth Felberg, kindergarten; Minette Scarvada, head of the primary department and first grade; Agnes Boland, who came here from San Bernardino, first and second grades; Mary Dean McFarlane, second; Lois Cook, a new teacher from Claremont, third; Virginia Booth, new this year and from Pomona, third and fourth; Susan Borden, fourth; Dolores Lowry, head of the intermediate department, fifth; Elena Lindman, who comes here from San Jose, special speech classes and fifth and sixth grades; Jane Welcome, new this year from Los Angeles, sixth; Florence Newberry, music.

### AT JUNIOR HIGH

George Mannington is principal at the Nellie Coffman Junior high school. Seventh grade teachers are (Continued on Page Eight)

## Village Groceries To Be Closed 2 Days, Shoppers Reminded

If it's Red or Blue points you are planning to spend this week-end, do it tomorrow—Saturday.

All groceries and markets in the Village are planning to observe Labor Day and will be closed Sunday and Monday, it was announced today.

So if you have any purchases to make, better do it now.

## Village Third War Loan Quota Set at \$470,000

Committee Meets  
Today to Start  
Local Campaign

Plans for the participation of Palm Springs in the Third War Loan drive, scheduled to start Sept. 9, were launched at a meeting held this morning at the Bank of America, attended by Fred Ingram, bank manager, Harold J. Hicks, chairman of the local war bond committee, and members of committees named this week by Mr. Hicks to conduct the campaign.

Palm Springs is asked by the treasury department to buy bonds to the extent of \$470,000 during the drive.

### COMMITTEES NAMED

Mr. Hicks named Gordon Feekings as head of the Retail Committee, to conduct the campaign among business and professional men, and John Chaffey, head of the residential committee, to handle the campaign among the home owners, winter visitors, apartments and hotels.

Mr. Feekings appointed on his committee in the down-town area: Larry Schultz, Kenneth DuBose, Johnny DeVine, Joe Butler, Carl Lykken, Merrill Crockett, Earl Grey, Harris Posey and Florence Gaskell.

Mr. Chaffey named as aides on the residential committee: Muriel Fulton, Billy Wright, Raymond Cree, John Williams, Dick Outcault, Jack Gorham, F. F. Crocker, and Stanley Rosin.

### ON BANK DEPOSITS

Quotas are based on bank deposits and in the case of Palm Springs committeemen felt that the local quota was large for this time of the year. Most of the winter residents who maintain homes here and who have been instrumental in putting previous war loan drives across with wide margins, are not yet here for the season.

But despite this fact, the drive will be pressed with utmost vigor to attain the goal. In two previous drives and in a special "Buy a Bomber" drive, the Village far exceeded its goal.

### FOR PUBLIC ONLY

The national goal in the third war loan drive is fifteen billion dollars, all of it to be subscribed (Continued on Page Eight)

## Joint Meeting of School Boards to Be Held Later Date

Because members of the Desert School district board were unable to be present Wednesday, the scheduled joint meeting of the Desert district board and the Palm Springs high school board for that date was postponed.

The meeting will be held at a later date to be set by the Desert district board.

Matters of joint interest to both boards are to be discussed.

## Three Collections Weekly Inaugurated By Disposal Dep't.

Fifty per cent more service for 25 per cent more cost.

That was the program inaugurated Wednesday of this week by the waste disposal department of Palm Springs.

Three collections per week of garbage and trash went into effect Sept. 1 at a cost of \$1.25 per month whereas prior to that time, two collections weekly at a cost of \$1.00 per month prevailed.

The new service was authorized by city council at its August 4 meeting when Ray Sorum, director of public works, was instructed to put the program into effect.

Heretofore, most of the residential district of the city had been served with a twice-a-week collection while some downtown areas were served thrice-a-week collection.

The entire city is now on the later basis because of sanitation reasons.

**IN THE ARMY NOW**—Pfc. Shirley Miller didn't want to be left out when 42 of her sister WAACS became WACS as they joined the regular army at the 21st Ferrying Group base here. Ill at Torney hospital, she took the oath of allegiance while abed. Left to right above are Pfc. Miller signing up, Lieut. Joyce Wenn, Lieut. Theodora Smith, commander of the WAC contingent here, and Lieut. Thomas Gurley Jr., adjutant, who administered the bedside oath.

## Council Names Wilson Acting Chief of Police

Police Sergeant Ray Wilson is today acting chief of police of Palm Springs during the absence of Chief of Police Lyle J. Sanard who will tomorrow go to San Diego to recuperate from a severe siege of illness which has kept him confined to the Community Hospital at Riverside for the past two weeks.

Chief Sanard contracted a severe cold which developed into pneumonia. He had been ill for some time but insisted on going to his office on duty until pneumonia developed and he was ordered to the hospital by his doctor.

At Wednesday night's meeting of city council the chief's recommendation that Sgt. Wilson be appointed as acting chief was approved by city council. Chief Wilson's appointment was made until Chief Sanard returns to duty or further action by the council.

Chief Sanard expects to leave the hospital this week-end and when doctors have ordered that he go to a cooler climate for two or three weeks to recuperate before returning to his post at the local police station.

## Small Building on Reservation Total Loss in Brisk Fire

Fire at 11:40 a. m. Tuesday destroyed an outbuilding containing a store room and shower, at the A. G. Minson place on the reservation, just off Andreas.

The flames had gained much headway and the one-story structure was quickly razed.

Firemen, under Chief Bill Leonosis, prevented the spread of the fire to adjoining buildings.

## Turn on the Water But be Careful Not to Turn Too Much

Washing of sidewalks, under ban all summer under terms of ordinance 131, will be legal again starting tomorrow but between the hours of 5 and 7 a. m. only.

Care must be used by walk washers not to flood the walks with more water than is necessary to clean them, to avoid splattering automobiles and to give pedestrians the right of way.

## Pretty Wac Sworn Into Army as Oath Given at Bedside

Illness and a hospital bed were no deterrent to Pfc. Shirley Miller's determination to become a Wac along with 42 others of the first contingent of Waacs to arrive this summer at the 21st Ferrying Group headquarters at the army air base here.

Shortly after Pfc. Miller's arrival here she was taken ill and for three weeks has been at Torney General Hospital. She was there last week when other members of the Wac contingent were sworn into the army and became members of the armed forces of the nation—Waacs—instead of merely being auxiliaries of the army—Waacs.

### WAVES TO BE IN, TOO

Pfc. Miller, who hails from New London, Conn., talked to her commanding officer, Lieut. Theodora Smith about it, saying that she couldn't bear not to be a Wac when all of the others in the contingent had been sworn into the army.

So, Lieut. Smith arranged with Lieut. Thomas Gurley Jr., adjutant at the air base and when doctors said Pfc. Miller was well on the road to recovery, the adjutant, accompanied by Lieuts. Smith and Joyce Wenn of the local Wac group, went to Torney General Hospital and Pfc. Miller took the army oath of allegiance. A small group of sick and injured soldiers at the hospital were witnesses when Lieut. Gurley administered the oath.

### IN THE ARMY NOW

Pfc. Miller's voice was husky as she took the oath but as she signed on the dotted line, her face was wreathed in a brilliant smile.

And the men soldiers who had watched, marched away singing: "You're in the Army now."

## Air Mail, Express to L. A. Coming Soon

Air mail and express service, as well as passenger service, to Los Angeles is in prospect for Palm Springs when the Western Air Lines starts its service on a new circular route from Los Angeles to Los Angeles via San Bernardino, Palm Springs, El Centro, San Diego and Long Beach.

Richard A. Dick and R. J. Smith, representing the Western, were in Palm Springs yesterday looking after details of the service and said they believed it would begin in 60 days. Final details are in the hands of authorities in Washington today and when completed, service (Continued on Page Eight)

## Change Made At Air Base

Lieut. Col. Richard D. Morgan has succeeded Lieut. Col. A. B. Cannon as commanding officer of the 21st Ferrying group at the Palm Springs Army air base, it was announced this week.

Lieut. Col. Cannon goes to Long Beach to assume command of the 6th Ferrying Group stationed there.

Ferrying Division, Air Transport Command, headquarters at Cincinnati, announced the change.

Lieut. Col. Morgan, before coming here, was group executive officer of the 6th.

Another important change announced by Cincinnati headquarters involved Capt. Mitchell J. Frankovich, group executive officer of the 21st. He is being transferred, on detached service, to the Ferrying Division's eastern sector, with headquarters at Pittsburgh, Pa.

Lieut. Col. Morgan arrived at the Palm Springs base this week. Lieut. Col. Cannon is scheduled to leave the Village Sept. 5 and will take command at Long Beach on Sept. 10. Capt. Frankovich will leave on the 10th.

Mrs. Gertrude Weiss of San Francisco spent last week-end visiting in Palm Springs. She was a guest at the El Morocco.

## Cathedral City

W. R. HILLERY

For a Cathedral City war-time record of what our local effort was on the last day of August, 1943. I am listing the names of those who were standing watches at the Airplane observation post. The word record is here meant as a recording not as something to shout about for we have had a desperate time to keep going while so many of our crack spotters are away on vacation. These first names are army girls and as they are taken from the schedule sheet their names appear without initials. Mrs. Ashpole, Patesel, Pigg, Chrisman, M. Jones, Bolton, J. Huston, Bradford, Quailley, Hallmark, Getty, V. L. Short, and Miss Phyllis Renville. Also Mrs. Allison just signing on.

Locals are these couples: Mr. and Mrs. Chester Ide, E. E. Page, C. S. Cobb, Russell Humphries, G. Zouganiles, C. W. Larrison and W. R. Hillery and these singles: Mrs. Ida Weeber, Helen Mero, Joy Reaume, E. Elsterman, Messrs. Wm. Chance, Dr. Brandt, Wm. Carey, H. A. Snyder, E. J. Wheeler, Robert DaVall, Robert Hillery and Recorder C. M. Gephert.

Mrs. Ida Weeber who recently went to Loma Linda for clinical check-up and rest returned to our village and is so improved you can't scare up any sympathy for her appearance now. Helen Mero

of Helen's Beauty Shop has left for Loma Linda to undergo a minor operation and will return to continue the operation of her shop next week. Arriving to assist Mrs. Mero this season is Mrs. Laura Grenier who was with her last year. Mrs. Elizabeth Elsterman has completed her vacation and reopened her court. John Nachant who has been vacationing with his brothers in San Diego received a hurry up call to come back and reopen his court for the benefit of military families and when he got here found that everlasting uncertainty of army wives at work and as plans had changed for them he immediately returned to San Diego until the latter part of this month when he will reopen his court. Word from the east that our beloved Captain Geo. A. True is in John Hopkins hospital for some ailment that is responding to treatment and we hope soon to hear he is entirely recovered. Robert K. Caverley, son of Mrs. H. A. Snyder reports that he has received a medical discharge from the Army as of August 28th. Mrs. Mabel Bryant here for a few days tells us that her son Leonard who is in the navy was last heard from in Alaska waters.

Mrs. Ray Tomkins and son Ernest have taken one of the Adolph collages for the season. The Tomkins family once owned their home and were residents here. Ray, a chief petty officer in the navy is expected home on furlough soon. One of her sons is in Sicily and the other is in the Southwest Pacific.

A nice letter was received this week from Mrs. Harold Barkow, who is living near Fort McArthur to be near her husband who is stationed at the Fort. We miss Marcella very much and from the cry for help coming from The Desert Sun office we rather imagine she is more than just missed there. Just another reason why we want this row fought out to a decided victory so that when Harold and Marcella come home they will have that feeling of security to go on with their life plans without thought of again being interrupted.

Oscar Lavier who has made frequent trips here from Yorba Linda has rented all his sister's cottages and is now living in one of the Dorn cottages. Mrs. Marian W. Kellar, clerk at the Palm Springs high school took her vacation with her sister in Texas and is now back and preparing to plunge into the work of reopening the school. In addition to her active duties at the school she has found time to fill in a watch at the post.

Mr. and Mrs. Kenneth DuBose of the Village 5 and 10 and the Thrifty stores, and Mr. and Mrs. Gordon Young of Youngs Liquor store, left today on a short vacation trip which will take them as far as Tucson, Arizona.

## Story of Belgium Under Nazi Heel Is Told Villagers

John Winston of Brussels, Belgium, presented a most interesting discourse on conditions in Belgium since the Nazi occupation to a large congregation at Community Church last Sunday.

The privations through which these people are passing and yet carrying on with courage and hope, should shame any complaints made by the people of the United States, the speaker said.

"Rationing or doing without things are nothing compared to what the people in Axis-dominated countries are experiencing."

Mr. Winston was accompanied here by Mrs. Winston and their two boys. They plan to return to Belgium as soon as the yoke of slavery is lifted by the utter defeat and retreat of the Germans.

## Desert Training Center Chaplain Will Preach Here

Chaplain Yoder P. Leith, of Pittsburgh, Pa., will occupy the pulpit at the Community Church next Sunday, Dr. J. R. Macartney, pastor, said this week. Chaplain Leith is with a division now maneuvering in the desert.

Chaplain Arthur B. Pearce, Jr., assistant chaplain of the same division, will preach the sermon on Sept. 12, Dr. Macartney said. Chaplain Pearce was born and raised in Greensboro, N. C.

Dr. Macartney also announced that he will conduct Holy Communion service on Sept. 12 and act at the dedication of a missal for the memory of Edward Stanley Tutt, whose birthday falls on Sept. 9.

The altar piece is the gift of Mrs. Margaret Illick in memory of Mr. Tutt, her father.

Mrs. John Beck will be the soloist for the September 5 service.

## Buying War Bonds Isn't Enough; War Effort Needs Some of Your Time, Too

The Palm Springs Observation post needs more volunteers. It is a vital defense task that takes but three hours of your time a week. The following letter from Mabel Swart emphasizes the need.

Editor of Desert Sun:

Some time ago it was proposed that your paper find the most patriotic person in Palm Springs. As to that, I think it would be hard to decide, for a few hours given a week for war work by a busy person or a widow's mite would mean much more sacrifice than many hours given by others, or hundreds of dollars from a wealthy person.

What I would like to see is an expose of some of those persons who are not so patriotic. Last evening, one of our war workers spent an entire evening in the down town cafes, etc., hunting some one to fill a 3 to 6 a. m. shift on the observation post. No success, she had to go on that shift herself—the third one this week.

I also know that the chief observer took a 3 to 6 a. m. shift this week for the same reason.

What is the matter with some of our business men in this town who are willing to come here in summer and take in the ready cash from our soldier boys, our boys who are suffering and dying for us every day in all corners of the world? Yet they (some of our business men) aren't willing to take a measly three hours watch a week on the post or, in fact, even a full in.

Some say, "We donate plenty to every kind of war work." That may be true, money is certainly needed, but we should give a little of our time as well. What soldier would or could buy his way out of the army.

It takes around fifty people to man the night shifts every week and you will find it is the busy people of this town who are manning them—people with jobs, also there are soldiers who are volunteering their time for some of the night shifts.

Come across and help out, especially just now when it's so difficult to find workers for night shifts or week-end shifts. Call Dolly Evitts, our chief observer, 2188 or 8168 and volunteer to carry on, that's what they say for those in brown, tan, blue or gray.

Many do fight in far flung lands in jungles deep or desert sands. All we can do is not enough. To show those boys we're of good stuff. So let's buy bonds until it hurts. Work with a will, not one who shirks. Some day our boys will then march back. The victory won if we're not slack.

MABEL SWART.

## Legal Rights for Indians Sought in New Federal Law

Indians living on the Palm Springs reservation, as well as other California Indians, will have the same legal rights in the state as other citizens, under a congressional move which today had the backing of Attorney General Robert W. Gentry.

A bill now pending in congress seeks to give California Indians now living on reservations and rancherias, the same status as enjoyed by others by affording them the full responsibilities and privileges of State laws. Thousands of California Indians, it was explained who now live on such reservations, are answerable only to Federal laws.

### WILL BE WELCOMED

"I feel that the Indians will welcome this move," Kenny said. "Federal procedure which now applies to many of our State's Indians, is often slow and involved, and results many times in hardships upon the Indians. We have instances where Indians have been taken four or five hundred miles to be tried in a Federal Court on a simple charge."

Kenny stated that the congressional bill would reserve Federal control over the Indians in some matters such as their trust lands, but justice in all civil and criminal matters would be open to the mini courts of the State.

### SOUND OUT INDIANS

He said that Indian opinion would first be sounded out, but that reports indicated that the Indians were in favor of the plan. It is understood that Superintendents of Indian reservations have given their support to the project.

Kenny pointed out that the Federal government has appropriated neither the funds nor maintains a large enough staff to supervise an effective law and order program in the State among the Indians.

Captain Richard F. Askew was appointed to the post of executive officer at the headquarters of the 21st Ferrying Group at the Palm Springs army air base this week, it was announced by Lieut. Col. A. B. Cannon, commanding officer.

### CHRISTIAN SCIENCE CHURCHES

"Mark the perfect man, and behold the upright: for the end of that man is peace." This statement of the Psalmist is the Sermon on "Man" in all branches of The Mother Church. The First Church of Christ, Scientist, in Boston.

In a Bible citation from John's Gospel it is related that Jesus saw at the pool of Bethesda, a man "which had an infirmity thirty and eight years." Jesus said unto him, "Wilt thou be made whole?" The impotent man answered him, Sir, I have no man, when the water is troubled, to put me into the pool: but while I am coming, another steppeth down before me. Jesus saith unto him, Rise, take up thy bed, and walk. And immediately the man was made whole, and took up his bed, and walked.

In the Christian Science textbook, "Science and Health with Key to the Scriptures" Mary Baker Eddy writes: "God is as incapable of producing sin, sickness, and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this triad of errors,—man who is made in the divine likeness?"

### Brother of Local Pastor Goes East

The Rev. Clarence E. Macartney, D. D., of Pittsburgh, Pa., who has been spending the summer with his brother, Dr. J. R. Macartney of the Community Church at the latter's mountain home at Forest Home, left this week for Montreat, N. C., where he will conduct a Bible conference before returning to his pulpit in the Pennsylvania city.

## TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs  
By S-Sgt. Russel H. Genich

### LET'S REMINISCENCE—ONE YEAR'S PROGRESS

A little more than a year ago we arrived at Torney General Hospital, barracks bags, G. I. gripe, and all of the "change of station" blues "present and accounted for."

When the G. I. jockey jerked his two and half-ton "love" to a stop and bellowed "all out, this is it" we gleaned a hasty look-see and said, "Hell, it can't be." We could figure out the "General" part of the TGH. Any General would be loco to pass up a spot like this. But a hospital—whatever heard—??

Well, 12 months have passed and we're still here and the hospital is still here. And what a hospital! The "clientele" of the past year have found that in addition to the physical shot in the arm they got they couldn't help but feel better in a garden spot like this.

The C. O., Col. A. B. Jones, with the help of all and sundry under his command has worked incessantly to the end that this organization be an outstanding example of a medical department function.

### FETED AND TREATED

A small group of talented boys and girls of the TGH personnel, aided and abetted by the smooth TGH dance band which Cpl. Dale Imes directs, contributed their bit to "put over" the Army Relief premier of "This Is The Army" at the local Plaza theatre last week.

The show, which included slapstick comedy and novelty musical numbers by Pfc. Joe Dagota, interpretative dancing by Pvt. Fred Wittop, tap and hula by Virginia Dale, and songs by Norma Wycoff and yours truly, was introduced by Cpl. Lee Grabeel. The boys in the band whipped up a combination of sweet and swing which met with hearty approval.

On Saturday night, August 28, one hundred and thirty-five convalescents were the guests of the Plaza management at the final showing of "This Is The Army." Such thoughtful consideration deserves a word of thanks, Messrs Strebe and Burden.

### SOB AND SIGH DEPARTMENT

All Torney was made unhappy by the departure of the personable Mrs. Henry S. Murphy, wife of Lt. Col. Murphy. Mrs. Murphy left to join her husband at another station where he has been appointed commanding officer of his organization. Mrs. Murphy had added much to the Chapel

## Owen Coffman Wins His Silver Wings At Army Air Field

Owen Bayliss Coffman, son of Earl Coffman, co-manager of the Desert Inn and grandson of Mrs. Nellie N. Coffman, founder of the famous hostelry and also a co-manager, was a member of the class of 43-H of student officers recently graduated from the Army Air Forces Advanced Flying school at Yuma, Ariz.

He was commissioned as second lieutenant and flight officer in the army and given the coveted Silver Wings, symbolic of the aeronautical rating of pilot. He has been placed on active duty in the Army Air Forces.

Before entering the final and advanced training course at the Yuma field, Lieut. Coffman completed his primary and basic training at Cal-Aero Flight Academy at Ontario and Polaris Flight Academy at Lancaster.

He is a graduate of Banning Union high school and earned his bachelor of arts degree at Stanford University. Lieut. Coffman is affiliated with Phi Gamma Delta fraternity.

## Emil Knorr Starts Advanced Course At Burbank Field

It's Corporal Emil F. Knorr now and he is stationed closer to the Village.

Cpl. Knorr has been transferred from Salt Lake City to Burbank.

"After only an 11-day stay here (Salt Lake City) Uncle Sam has moved me again," he wrote. "After taking my firing practice and qualifying as a marksman, I also qualified for advanced training at Burbank and was advanced to the rank of corporal."

"My only regret in the early move was that I was unable to get to see the Mormon Tabernacle or the Museum at Salt Lake City. However, I did see them from the outside."

## 3 Torney General Hospital Officers Leaving This Week

Two members of the Torney General Hospital staff who have been here almost a year and another, here most of the summer, will depart this week end, two for a new post in Washington state and the third for another west coast unit, it was announced by the public relations office at the hospital this week.

Major William A. Runkle, in charge of the X-Ray laboratory at Torney and who has been at the post here since Sept. 28, 1942, will leave this Saturday for the post in the state of Washington.

Major Abbott Y. Wilcox, of the medical service, at Torney General Hospital since September 24, last year, will also leave tomorrow for the same Washington state unit.

Lieut. Loyd S. Sutor, of the sanitary corps and in charge of this work at Torney since June 27, this year, has been transferred to a new unit on the west coast and will leave Torney soon.

### Capt. G. R. Taggart Is Now at Ft. Ord

Capt. G. R. Taggart of Palm Springs is now stationed at Fort Ord, Calif., according to word to Villagers.

"I like the move," he wrote. "It brings me closer to home."

8:30 p. m. each evening. This should be stellar entertainment, you can't afford to miss it.

### SHIVER MAH TIMBERS

Sidewinders, diamond-backs speckled and red rattlers, and gila monsters were the subject of civic employee Sam Hinton's illustrated lecture given for patients and personnel last Friday evening.

Mr. Hinton used live species of the speckled rattler and gila monster to augment the lecture. A good crowd was on hand to become better acquainted with Snakeology. Mr. Hinton is well versed in desert lore, serving as curator of the local museum in normal times.

## 21st FERRYING GROUP NEWS NOTES

Ferrying Division, Air Transport Command, Army Air Field, Palm Springs, California

By Sgt. George Goodale

### IT ISN'T ALWAYS THE SUN

All red faces around this post aren't from sunburn.

T/5 Bob Sellers wasn't doing anything the other night so he took himself to the municipal swimming pool. Pfc. Vincent Welton reports.

Sitting on the diving board was Sellers' boss, T/Sgt. Jack Tudor. They were idly discussing nothing at all when the T/5's eyes widened.

"Boy, look at that honey," he piped.

"That's no honey," replied Tudor in his sternest NCO tone, "that's my wife."

Sellers dove into the pool. The water sizzled.

### BASE THIEVERY

Sign in Group Operations:

"Will the person who got my pants please return them."

Signed,  
Major Livingston."

And nearby hangs a hanger and empty paper bag.

### THEY'RE ALL ALIKE

Cpl. Billie Wardlow of the Wac will be more careful in the future with the toy snake she owns.

She left it under a bed for the benefit of a sister G. I.

The only trouble was that when inspecting, Lt. Joyce Wenn saw it first.

Just for the record, there isn't any difference between a commissioned and a noncommissioned Scream.

Don't get the idea that Frank Sinatra, if we may delve into show business for a line or so, is the Noel crooner. We thought you might be interested in Daily Variety's poll that says Bing Crosby is still the juke-box ruler.

Now that you've digested this flash item, you can go ahead and be warriors.

However, back to show business seriously for a minute, Daily Variety also says that the Army is highly pleased with two films which do right by the Wac. They are 20th Century-Fox's "All Out Arlene" and MGG's "Women in Uniform," being scripted by Anita Loos. They say the pix are just what are needed to help the Wac recruiting along.

### THEY MUSCLE IN

There's one thing about Wacs, however, that makes them just like their gold-digging sisters on the outside. According to Yank, the men at Victorville Army Air field have been having themselves a nice racket on graduation days for bombardiers.

They lined up outside the Post theater to collect that buck for the first highball from the newly commissioned ones.

Wacs, with an eye to easy pin money, moved in and took over. Now the boys salute for free.

### PROP WASH

Pfc. Maurice Prince is Miami Beach, Fla., bound. He's taking the non-com physical training course. . . . We are greatly in favor of the "Zip Your Lip" program. Just to show you how carelessly people talk nowadays, imagine three joes like S/Sgts. John Davidson, Archibald MacDonald and Edward Tollison calling themselves a "brain trust."

. . . A wire from the Philadelphia Red Cross chapter to C. L. Hughes of the local chapter reveals that the B4 bag and parachute which Pvt. Donald Paterson lost have been found. . . . Another wire told of a baby daughter being born to the wife of Pvt. Albert Chapman, but Chapman was en route east to an air force school. The wire was forwarded. . . . Yank comes through with another. Bullets whistled overhead, it says, as he crawled through an infiltration course at Fort Sam Houston, Texas, and suddenly a G. I. found himself face to face with a full-grown coiled rattler. The sick book shows the result of this encounter: "Treated for blistered stomach. . . . S/Sgt. Arthur Podway back from furlough. . . . 1st Sgt. Burt Randall leaving on his furlough."

### TWO NOT ENOUGH

Lt. Wolfgang Reitherman saw Lt. Oliver Mills order another malt. "That's why he's a four-engine pilot," cracked Lt. Reitherman, "two engines wouldn't lift him."

### MEN, MAIDS AND STUFF

Sgt. Charles Reinemann, Jr., got married okay, but—witnesses report he's just a raw recruit when it comes to kissing his wife. She had to remind him!

Lt. Charles Waldron and Barbara McDonald of Hollywood, an

Earl Carroll lovely, have been dating. They met when he ex-tricated her from the tangled aftermath of an automobile accident in Palm Springs.

Pfc. Amado Espinosa and his wife, new parents of a daughter, are having difficulties via the mails over what to name the baby.

Wac wooing this week were Pfc. Pappy Faumularo with Cpl. Rozelle LeBrocq, S/Sgt. Matthew Nizwantowski with Pfc. Jean Noak, S/Sgt. Eugene Kann with Pvt. Helene Basse, T/Sgt. Wayne Seuntjens with Pfc. Irene d'Arche, and S/Sgt. Harry Tick just hanging around them all. Wacky business eh?

### POSTSCRIPT

And just bear with us for four more lines on Wacs. Did you hear the one about the gals at Camp Hood, Texas, who chipped in and bought rubber gloves and hand lotion for the KP's?

## Posters of Army Life Enjoyed By Local Servicemen

Those hearty exclamations of "Boy, that paratrooper looks almost real," and "Say, that poor clunk doing K. P. looks like he came right out of the Banning Evacuation Hospital," have been issuing from the USO Club recently as the result of a display of posters adorning the walls of the main lounge.

Donated by Barker Bros. Furniture Co. in Los Angeles, and drawn by Mrs. Lorelei Hubble and Miss Joan Elledge, artists in the display department, the eight posters depict various phases of life in the armed forces. They are sketched in bold, navy blue strokes on a background of white and have a dominant quality of strength and vitality to them.

The posters were used originally for a War Bond Drive, in a series of 23, and through the courtesy of Mr. J. D. Lawson, head of Barker's display department, were given to the USO.

Mrs. Hubble is planning to spend a week-end in Palm Springs in the near future in order to draw portraits of soldiers of this area. She is particularly anxious to portray military scenes of the Medical Corps, the Ferry Command, and the Ordinance Corps.

## USO Party Honors Soldiers Leaving Palm Springs Area

There was "Bingo," there was dancing, there were prizes, and especially there was gorging on ice cream and home-made cookies last week at the USO Club when a group of junior hostesses gave a "So Long—Good Luck" party for 15 22nd General Hospital boys who were leaving for other parts.

Making good use of their rare opportunity to "lounge" in the newly-decorated Girls' Lounge, the boys enjoyed themselves to the fullest. The "Bingo" game went merrily and loudly on in the Reading Room and the dancing spread from the main lounge to the edge of the swimming pool where the loud-speaker carried the music adequately.

Helen Huber, Carolyn Cobb, Hazel Shubin, Bettie Cuquet, and Inez Underhill were the junior hostesses who presided. Carolyn made the cookies which the boys are still raving about, and the other girls brought candy. The ice cream was donated by the club.

The following men were "guests of honor" for the evening's party: Pvt. Wayne Potter, Pvt. Jesse E. Varel, Pfc. Sam Confor, Pfc. Andrew Szasz, Pvt. Steven Holla, Pvt. Jerald Hutchins, Pvt. Charles Foster, Pvt. Leon Baker, Pvt. Matt Donahue, Pvt. Edward Charbush, Pvt. Joseph Bigay, Pvt. Albert Baldare, Pvt. Ray Hill, Pfc. Bob Carnahan, and Pvt. Earl Nichols.

## In the Know With the USO

By Gail Sollender

When "Emil," the Brunswick-Balke - Collender repair man from Los Angeles, put the finishing touches on the new pool table cover, rolled out the shiny new pool balls, and with pride, presented the club with a new cue ball, undented, unharmed, there was a made scurry to see which four boys would have the honor of playing the first game on the new table. But Emil insisted that the soldiers who had helped him do the work should shoot the first game, so Pvt. Wayne Potter, Pvt. Charles Foster and Pvt. Bernard Fadden, of the 22nd, and Pfc. George Welch, of the Ferry Command, picked up the new cue sticks and went at it. Since the operation on the table took place, there hasn't been a single minute lapsing between pool games. From "12 to 12" the boys "break," "scratch" and "pocket."

our Saturday night dances which will begin the middle of the month.

Pat Holderman, our popular lifeguard, left on a two-weeks vacation at Laguna last week and will be sorely missed. Taking her place is Kathleen Kelly, of Glendale, Calif., who is pinch-hitting until Pat's return.

What a gold-mine of records Miss Eleanor T. McIlvane of Los Angeles gave the club! Some invaluable albums of Caruso and Scotti, and four albums of recordings of well-known singers and violinists of by-gone days. There will be many happy hours spent over them in the future.

On my way to New York. See you all in October. Yours in USO.

## Air Base Grateful To Merchants for Aid Given at Party

Capt. John R. Hamilton, commanding officer of the air base squadron at the Army Air Field here, thanked a group of Palm Springs merchants for the cooperation given his squadron in a party in a letter made public today.

The merchants generously contributed articles to be used as prizes for contests the squadron held at a picnic at the Smoke Tree ranch Thursday night. All men and their guests participated in many events, athletic and otherwise.

### LETTER OF THANKS

His letter to the merchants follows:  
To The Merchants of Palm Springs:

The 459th Air Base Squadron recently found it necessary to

hold a party to raise funds for equipment to make the training program move smoother. This equipment was not the government's responsibility and therefore was up to the Squadron to furnish.

Accordingly, a party was planned to raise funds through athletic contests and other games. Naturally a large assortment of prizes were needed. It was decided to ask the merchants of Palm Springs to help.

They responded wonderfully and exceeded our wildest expectations.

### BEST OF LUCK

On behalf of the squadron, as its commanding officer, I wish to take this opportunity to thank them sincerely. I feel sure that each man of the squadron personally, myself, Capt. Raymond Karge, adjutant, and Lts. Joseph Caraway and Louis Bardell, training and supply officers respectively, wish these merchants the best of luck in their future endeavors.

The merchants to whom we are indebted are as follows:

Palm Springs Drug Co., Desmond's, Ellis Ready - to - Wear Shop, Indianola Gift Shop, Dunes, Waikiki, Doll House, Colonial House, Irving V. Matloff, photographer, Shell Service Station, Palm Springs Bowling Academy, Hennes Drug, Tropical Gift Shop, Shop, Village Drug, Milner's 5-10, Plaza and Palm Springs Theaters, Desert Date Shop, Barney's, Cubana, Chi Chi, Rainbow Lounge.

Again, we thank you!

JOHN R. HAMILTON  
Capt., Air Corps  
Commanding Officer

Mrs. Frona Gill of 300 Andreas road, arrived home this week after spending the summer in Hollywood and Long Beach.

## Application Filed With City to Open Public Dance Hall

Application of Sol Addey of 396 North Palm Canyon drive, for a permit to conduct a public dance in the building at 346 North Palm Canyon drive, formerly occupied by Denham's garage, was read before city council Wednesday night.

Mr. Addey said he planned to conduct the public dance every night of the week if the permit was granted and the dance would be conducted in a highly satisfactory manner.

The application was referred to the public safety committee of the council for investigation and report.

## Harry J. Williams Acting Manager at Plaza, Carnell Bldg.

Major Robert Ransom, now stationed at Marana field, Arizona, in an important army position, announced this week that during his absence Harry J. Williams, member of the firm of Schenck and Williams, architects for the Carnell building and The Plaza, will be acting manager of those two properties.

Mr. Williams is in Palm Springs for his wife's health and due to his close relationships with both projects, was persuaded to accept the position as part of his contribution to the war effort.

"It is a very fortunate thing," said Major Ransom, "and I feel that Palm Springs is to be congratulated in having such a capable and far-seeing man as Mr. Williams take an active interest in the affairs of the Village."

It was also announced that Mrs. Katherine Suter of Tucson, Ariz., had been appointed director of public relations at the Plaza.

## Mr. and Mrs. Vieth Return to Village

William Vieth, local Indian agent, Mrs. Vieth and family have returned from a three-week vacation which included visits to Newport Beach, Los Angeles and way points.

It was a most delightful rest, Vieth said, as he returned to resume his duties as agent for the local Indians on the reservation.

## Many Changes Made in Ration Coupons This Week; Scores of Motorists Face Gasoline Shortage for Forgetfulness

Wednesday was a big day for changes in rationing coupons, both gasoline and food.

On that day the next to the last three blue stamps in Ration Book 1 went into effect. Stamps U, V and W are good for canned and processed foods until October 20. Stamps R, S and T, which became effective last month, expire on Sept. 20.

## Gifts, Including Mascot for Camp, Feature USO Trip

Once again, an enjoyable weekend was spent on the desert through arrangements made by the Sun and Sand Caravan of the USO Mobile Service.

Fifty Alhambra girls arrived at the Coachella USO Club laden with gifts for men from the 305th Quartermaster Battalion, Camp Oung. Amid much merriment the gifts were distributed to the fellows and consisted of bathing suits, jams, jellies, books, magazines, playing cards, sun glasses, brown bread, butter, and last but not least the camp was presented with a mascot — "man's best friend," a dog! Many thanks go to the junior hostesses, Mrs. George Bettinger, activities director of the Alhambra USO; Blue Star Mothers and the Red Cross of Alhambra for the gifts. They were greatly appreciated by the men.

### DANCING IS FEATURE

Dancing, followed by a midnight swim and "snack" completed a gala evening.

Another surprise was added to the week-end when, on Sunday afternoon, the 338th Infantry, 85th Division, under supervision of Lt. Joseph G. Smith, special service officer, entertained the group with a delightful program. Cpl. Earle R. Hackett was director and master of ceremonies for the entertainment.

### DELIGHTFUL SHOW

Appearing on the program were: Larry Kryeda, vocalist from the Caravan of Swing; Lou Bregoli, accordionist from the Three Shades of Blue; Billy Suarez, Spanish comedian; and Tony Congiamilla, from radio station W.S.P.D., Toledo, Ohio. Other numbers were presented by Danny Hegerty, Singing Cowboy from radio station KD.K.A., Pittsburg, and leader of the Prairie Rangers. Members of the Rangers were: Gene Birrilli and Ray Deno.

Arrangements for the week-end party were made by Capt. Raymond P. Peters and Lt. Al Messey of Camp Young with Mrs. Marguerite Van Derwerker, director of "Sun and Sand Caravan," with others here; Mrs. George Bettinger, Alhambra USO; B. A. Burkard, Indio USO; and Pat Fahey of Coachella USO.

## Crowds Get There Early as Sandwich Shop is Re-Opened

The Village Sandwich shop, under the management of Mrs. Gladys Denton and Mr. and Mrs. Cecil DeArman, re-opened its doors Wednesday morning, Sept. 1 and it wasn't very long before the long counter and the booths were filled with Villagers enjoying the first breakfast of the season there.

The Sandwich Shop will be open all day every day except Tuesdays, serving all meals and sandwiches.

## Two From Village on Stanford Donor List

Owen B. Coffman and Mrs. Raymond V. Knowles of Palm Springs were included in a list of more than 2500 persons from 45 states, 3 territories and 4 foreign countries who contributed gifts to Stanford University this year, Chancellor Ray Lyman Wilbur announced this week.

Gifts to the university during the fiscal year ending August 31 amounted to more than one million dollars.

## Wedding Bells for Four During Week

Post Chaplain Walter Farris at the 21st Ferrying Group base here, officiated at two weddings at the chapel there last week.

Sgt. Roy Babcock of the base, who hails from Hammond, Ind., and Miss Mona Jean Wood, from Cerro Gordo, Ill., were married at the Community church and on Sunday afternoon Sgt. Charles Reinemann, Jr., who comes from South Holland, Ill., and Miss Romaine Eris Klage of Dalton, Ill., were married at the church.

## Mr. and Mrs. Mathews Will Return Soon

Mr. and Mrs. Charles Mathews, who have been spending the summer at Tahoe Pines, will be back in the Village some time next week.

"We are folding up our tents and coming back to Palm Springs soon after Labor Day," he wrote. "The nights are getting too cool here."

Mr. Mathews is a prominent local realtor.

## A. V. Linkletter and Wife Back in Town

Mr. and Mrs. A. V. Linkletter of 169 Ocatillo, have returned to the Village after several weeks at Lake Arrowhead.

Mr. Linkletter is local representative of the Los Angeles Examiner.

Mrs. Linkletter went to the mountain resort early in the summer, Mr. Linkletter joining her there in the middle of July.

THE NEW . . . MODERN

## Make Sure That You Will Have Plenty of Food Next Winter

A MODERN AND COMPLETE

## "Quick Freeze" Locker Plant

is under consideration in Beaumont by Mr. and Mrs. G. N. Gray of Gray's Ice Cream.

The Department of Agriculture and the War Production Board have authorized the construction of these plants in rural areas and in communities of less than 15,000 population, for the purpose of preserving the food of said areas—fruits, vegetables, and meats of all description.

All material sent to this proposed locker plant, will be quick frozen and placed in your locker, to which you will have the key and access. Our area here is especially rich in fruits, vegetables, and meats, to be conserved. Save yourself the work of canning all of these products and the danger of food poisoning.

Put your string beans, corn on the cob, lima beans, asparagus, squash, rabbits, chickens, turkeys, venison, and meats of all kinds in your locker. Then take them out whenever you wish to use them. They will be as fresh as when you put them in your locker. Your locker paid in advance for one year will cost \$15.00.

A "Chill Room" will be provided for hanging and aging meat. A competent meat cutter will care for the cutting, packaging, marking, and quick freezing of your meats, for which service there will be a processing charge of 2c per pound. Fruits and vegetables must be cleaned and packaged before delivery to the plant. There will be a charge of 1c per pound for quick freezing of fruits and vegetables.

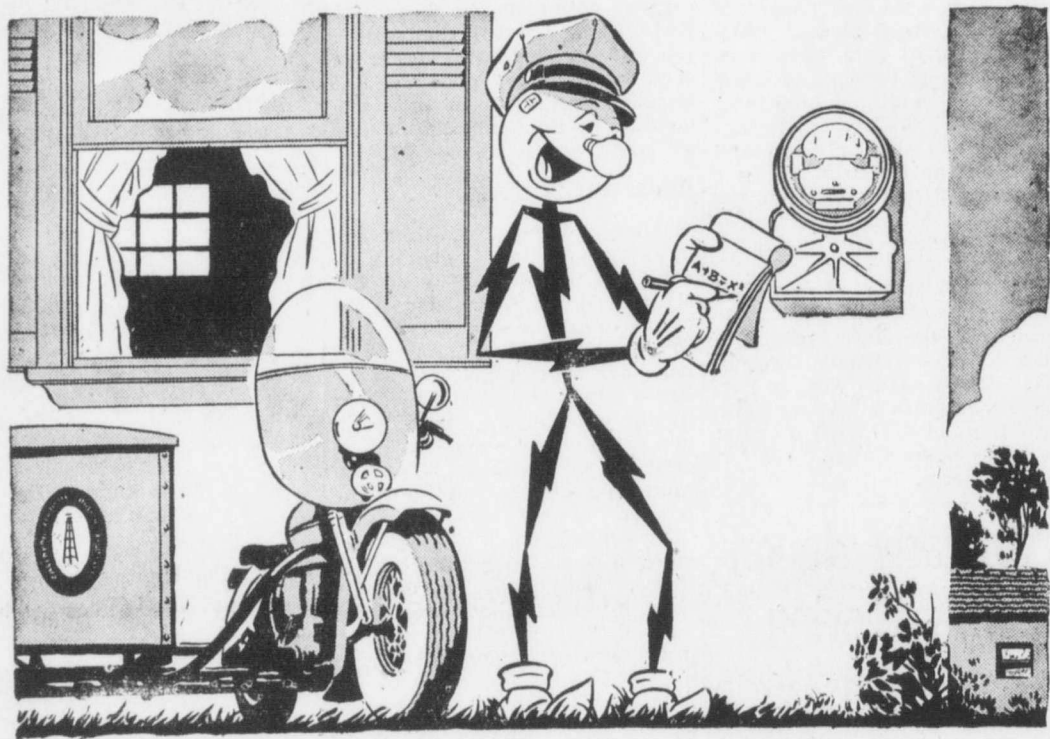

The \$15.00 locker rental may be mailed to or paid to the Bank of Beaumont or at Gray's Ice Cream Store at 422 E. Sixth Street in Beaumont.

For further information telephone or see personally Mr. or Mrs. George N. Gray, phone 371 Beaumont.

The government requires that 60 percent of the lockers in every such plant, be rented and one year's rental paid in advance before construction of the plant can be started. This requirement on the part of the Government, is for the purpose of showing the need for such a plant in any community.

In case such need is shown, the Government will issue Priorities needed for construction. In case the required number of lockers are not rented in the next few days, The Bank will refund your money and there will be no locker plant.

If interested please take action at once, by so doing you will help to make possible a worthy enterprise, which the Government feels is essential for Victory Food Conservation.

## ELECTRIC BILLS AND METER READINGS Every Other Month

APPROVED BY WAR MANPOWER COMMISSION  
AND CALIFORNIA RAILROAD COMMISSION

Cooperating with the recommendation of the War Manpower Commission, to conserve manpower, the California Railroad Commission has approved for this Company bimonthly meter reading and billing.

## Power Company to Read Meters Every Other Month, Plan

F. F. Crocker, District Manager of the California Electric Power Company, calls attention to an advertisement appearing in this issue announcing that the company is inaugurating a plan for bimonthly reading of meters, which he states has been approved by the California Railroad Commission.

Mr. Crocker says: "The War Manpower Commission urges all utilities in the United States to lengthen their billing period in order to offset the manpower shortage. This program has been approved for many power companies and other state commissions."

"As a result, our customer's meters will be read and bills rendered every other month in the future instead of every month as in the past."

"We wish to express our appreciation for the fine cooperation our customers have given us in every effort that has been made in the past to meet the present war conditions, and we are sure that they will do the same in this instance."

## "Haven of Beauty" Ready for Village Women on Monday

Miss Margaret Stigman, popular Palm Springs beautician, this week end put the finishing touches on installation of new and modern equipment for the Haven of Beauty, located at 439 North Palm Canyon drive, which she will open next Monday.

Assisting Miss Stigman will be Florence Trunnell, also well known in the Village.

All Types of beauty work and hair-styling will be featured. Evening appointments for women who are busy during the day may be arranged.

## Harold Maundrell Of Colonial House Back From Vacation

Harold Maundrell, manager of the Colonial House, returned to the Village Wednesday afternoon after a pleasant month's vacation spent at coastal points and in San Francisco.

Upon his return he at once plunged into plans for a busy winter season at the Colonial House and also some remodeling work which he plans to have done at that popular hostelry.

## Southland Jolted By Quake Starting In Northern Mexico

Palm Springs experienced a mild shake-up Saturday night in an earthquake which rocked most of the southeastern section of Southern California.

Although the tremor was severe enough to be felt for several seconds, no damage was reported anywhere in the southland.

There were two tremors, one at about 8:45 and another seven minutes later. The first was felt in Los Angeles as it traveled up the coast.

The earthquake originated in the northern part of Mexico, near the international border and was most severe along the border from the Imperial valley to San Diego.

## Worden's Jewelry Shop is Re-Opened After Month's Rest

Worden's Jewelry store, at 216 North Palm Canyon drive, reopened Wednesday, Sept. 1, after having been closed for the month of August while Walter Worden, jeweler and watch-maker, caught up on the great accumulation of work piled up during the summer.

Mr. and Mrs. Worden also took time out for brief vacation trips to Los Angeles and the beaches and also spent some time visiting in Beaumont.

## Plans All Set for Formal Dedication Of Air Base Pool

Everything was in readiness today for formal dedication of the new pool at the 21st Ferrying Group base here with many notables coming to the Village Sunday to aid in the event.

Among the stars to be here are Joe E. Brown, Johnny Weissmuller, Esther Williams and Stubby Krueger. Others may get down for the event and there will be plenty of bathing beauties to aid in the dedication.

Ceremonies are scheduled to begin at 3 o'clock.

At one time, Congress met at a hotel in Washington.

## Slippers, Made by Local Red Cross for Convalescent Soldiers, Gain Wider Fame Request Comes From Other Hospitals

The bedroom slippers, made at the Palm Springs branch of the American Red Cross for convalescent patients at Torney General Hospital are gaining fame and other government hospitals have asked for them. Mrs. William A. Lippman, head of production said today.

## Response to Plea For Ice Box to Aid Servicemen, Prompt

Soldiers on duty at the mess hall at the 21st Ferrying Group headquarters here, a 24-hour office, now can take their soft drinks cold—thanks to the response of a Palm Springs family to their recent plea.

C. L. Hughes, American Red Cross field agent at the air base, recently told the Palm Springs branch of the Riverside county Red Cross chapter, that the boys at the center were without means of refrigeration and that on long, hot days, this was pretty bad.

The response was speedy and today an ice box is doing duty.

Mr. Hughes also reported that the appeal of the Red Cross for coat hangers and magazines for the boys at the ordnance and supply depot also met speedy response and that they were well fixed now.

## Sallye Gibson Buys Do-Nut Shop, Plans Busy Season Here

Sallye Gibson, formerly of Glendale, has purchased the Do-Nut Shop at 314 North Palm Canyon drive from August (Gus) Witt, it was announced this week.

She will continue to serve ice cream, fountain drinks, sandwiches and breakfasts. The Do-Nut Shop will be open all day every day.

## Old Age Aid Rolls in County Move Up in July is Report

Old age assistance rolls in Riverside county were upped by 39 new cases in July, the California Taxpayers' association reported this week.

In June there were 3,356 cases, in July 3,368. Withdrawals of 27 from the rolls left a net increase of 12.

Total aid granted aged needy persons in the county, from county, state and federal funds, totaled \$158,723 in July.

## Mr. and Mrs. Schultz Back From Vacation

Mr. and Mrs. Larry Schultz and family have returned from a delightful vacation spent at San Diego and at Ensenada, Mexico.

Mr. Schultz is manager of Desmond's Palm Springs store.

## Desert School Head Back From Vacation

Miss Katherine Finchy, superintendent of the Desert School district, returned to Palm Springs the first of the week from her summer vacation and immediately plunged into the work of getting ready for the new school term.

She spent the summer in West Los Angeles.

## Amend Ordinance on Electrical Work

An amendment to the city ordinance governing electrical installations was introduced by Councilman Philip L. Boyd at Wednesday night's council meeting.

The measure permits use of non-metallic cables in view of war conditions and scarcity of material.

One dozen of these slippers go to Torney each week and the remainder go to Riverside County chapter headquarters for distribution to other hospitals.

## TO INCREASE AMOUNT

Mrs. Lippman hopes to increase production of these slippers many fold but says that this will mean more materials will be needed.

She issued a plea to residents who are on vacation or at summer homes to bring back with them to Palm Springs when they return for the season, any material they may have which will go toward making these slippers—velvet, gingham, old portieres—as there is little such material available here now.

## NEED WORKERS TOO

She also asked that any who could, join them on Monday and Fridays in this production work as the Palm Springs brand of slippers is in demand in hospitals in the west.

Mrs. Lippman also said that she had received word from the Riverside chapter that there will be no more gauze for surgical dressings at present but that Torney General Hospital will supply the needed gauze to be made into dressings by the Red Cross.

"Therefore, the production room will be as busy as ever on Mondays and Fridays," she said.

## Marcus Cafe Will Feature Its Noted Mexican Menu Again

Coming as good news to the many patrons of Marcus' cafe in the past, is word that this popular dining spot will re-open after a few weeks closure for the summer, next Wednesday and will feature its famous Mexican dishes as when Marcus Caro himself was there. Marcus is in the army now but Mrs. Caro, "Vi" to scores of friends, will see to it that the popular "Numbers 1, 2, 3 and 4" on the menu are available as before he left.

Marcus cafe will be open daily from 2 p. m. to 10 p. m. but will be closed on Mondays.

Besides their well known Mexican dishes, "Vi" will also serve steaks and chops.

## Villagers Sleep Out Fire in L. A. Hotel; Too Tired

Mr. and Mrs. R. R. Dunlap have returned from a brief vacation in Los Angeles and Mr. Dunlap is back on the job at the Greyhound depot. They started their vacation late one night after the last bus had departed and as a result did not get into their Los Angeles hotel room until early in the morning—very tired.

Three hours after retiring they heard a wild clanging of bells but were too tired to investigate. When the noise persisted, Mr. Dunlap looked out of the window and saw the street below full of fire fighting equipment. So he looked into the hall. It was full of smoke.

He looked out again. Twelve stories up.

"Too far to jump. I'm too tired," he said—and went back to bed.

The fire was confined to one room where a careless guest had let a cigaret set fire to bedding.

## Mrs. Catherine Grove Visitor in Village

Mrs. Catherine Grove of Grove Court was in Palm Springs this week on a visit before returning for the season.

During the summer she visited in Chicago and Detroit.

## Mr. and Mrs. Parker Here on Business

Mr. and Mrs. R. G. Parker, owners of the La Hacienda apartments here, were in Palm Springs last Friday on business, preparing for the new season.

They are spending the summer at their place in Mill Creek canyon.

## Bob Bell Now on Duty as Lifeguard At Cutler Plunge

Bob Bell, a Palm Springs high school boy, is now life guard at the municipal pool at the Frank W. Cutler residence, R. H. Bennett, in charge of the pool, announced today. Bell replaces Miss Peggy Green who has gone back to Detroit, Mich., where she will be in charge of physical education and swimming at a large school there.

Miss Green served as guard and instructor at the pool during August and instructed many in the art of swimming and diving.

Bennett reported the attendance at the pool holding up well with throngs taking advantage of the chance to cool off.

The plunge will close on Sept. 12.

## Arnold's Linen Shop Opens Today for Another Season

Arnold's Linen shop in the Carnell Building opened today for another season in Palm Springs with its stock replenished with desirable items and ready for an active year.

Arnold Sosnik, proprietor, put in much of his vacation time buying new stock for the popular shop.

He found much in Pasadena and Hollywood which he is sure will please his large local clientele.

## Sam and Leo's to Close on Sundays is Announcement

Sam Satlitz and Leo Baker, popular team comprising Sam and Leo, operators of two delicatessen stores here, have announced that hereafter they will be closed on Sundays.

Hours for week days were announced as 10 a. m. to 8 p. m.

The firm has kept its store in the Plaza open all summer. Date for opening of their store at 233 North Palm Canyon drive has not yet been set.

## Sgt. and Mrs. Kay Christen Daughter

Francie Katherine Kay is doing all right, thank you, and is already a confirmed resident of the desert.

The little girl, born May 13 at Torney General Hospital, is the daughter of Master Sergeant and Mrs. Frank Kay of Cathedral City and was christened the other day.

## Mr. and Mrs. West Vacationing at Beach

Harold C. West, assistant to Fred Ingram, manager of the Bank of America here, is off on a vacation this week.

With Mrs. West he expects to be gone two weeks. Most of the time will be spent at Laguna Beach although he also expects to visit Orange, his home town, before coming to Palm Springs several months ago.

## Village Pharmacy on Winter Schedule for Another Season

The season is on. The Village Pharmacy this week abandoned its summer schedule of closing all day Wednesdays and from now on will be open every day of the week, Merrill Crockett and Herman Eelman, proprietors said this week.

The fountain was closed last Wednesday for redecoration and repairs but from now on will also be open every day of the week serving breakfast, luncheons, dinners and short orders and fountain service.

Designers seem to feel that short skirts really are here to stay—but we only know the calf of it.

## Night Flyers Win First Leg in Play For Championship

The 21st Ferrying Group's Night Flyers jumped into the lead for the second half title of the Palm Springs Army soft-ball league by defeating the 737th Sanitary Co., 3 to 0, at the Field club Wednesday night.

Sgt. Glenn Cartwright, Flyers' pitcher, hurled a two-hit game. His mates jumped into a two-run lead in the first inning. Cpl. Hank Podgorski, Flyer outfielder, added the final run in the third inning when he hit a home run.

The second game of the series is scheduled Friday night and third, if necessary, Monday night. Other results this week were:

Flyers 5, Torney Enlisted Men 4; Strafers 8, 72nd Ferrying 4; Ferrying 459th won by forfeit over Torney Officers; 737th Sanitary 6, 22nd General Hospital 2.

The final standing of the Army Softball loop found the Night Flyers and the 737th tied for the lead with seven won and one lost each. The three game series to determine the champion is now on.

### FINAL STANDINGS

Teams—	W.	L.	Pct.
Night Flyers .....	7	1	.875
737th Sanitary .....	7	1	.875
Ferrying Strafers .....	6	3	.666
Torney Enlisted Men .....	5	3	.625
22nd Gen. Hosp. ....	4	5	.444
Ferrying 459th .....	4	5	.444
Ferrying Medics .....	3	4	.429
Ferrying Officers .....	2	6	.250
Torney Officers .....	1	6	.143
72nd Ferrying .....	1	7	.125

## 15 Arrests Listed In August Report Of Police Activity

Report of police activities for the month of August was submitted to city council Wednesday night by Acting Chief of Police Ray Wilson and listed 15 arrests during the month, all on misdemeanor charges.

Ten of the arrests were for drunkenness, one for violation of the rooming house ordinance, one for disturbing the peace and three for minor infractions of the law.

During August police investigated 26 complaints including 10 concerning prowlers, seven juveniles who failed to get home on time, six petty theft cases, three reports of stolen autos, three dog bites, and two traffic accidents.

Two cases investigated for the FBI and one burglary was studied.

Three traffic citations were issued.

Twelve soldiers were picked up for military disposition. Among the arrests for drunkenness were six women.

There was one ambulance call during the month.

The report cited miles traveled by police cars during the month as 6518.

### Airplane Passenger Service Is Limited

According to an amended order by the Civil Aeronautics board, a copy of which was received by Mrs. Louise McCarn, acting city manager this week, passenger service on American Airlines planes, now running three daily schedules each way over the city with flag stops at the local airport at present, will be limited to military personnel of the United States army and allied nations.

### Miss Elizabeth Keene Resigns City Place

Resignation of Elizabeth Keene as a member of the city hall clerical staff was presented to city council Wednesday night by Mrs. Louise McCarn, city manager. It was accepted by the board.

### Del Tahquitz Hotel Dance Permit Issued

On notice from Ray Sorum, director of public works, that the Del Tahquitz hotel had met all requirements of the city dance regulation measure, the hotel's application for a dance permit was granted by city council Wednesday night.

The hotel had been given a conditional permit a month ago.

Mrs. Margaret Combs and Mrs. Katherine Feltz, daughters of Mrs. Frona Gill of 300 Andreas road, left for their homes in Oklahoma City after spending the summer here and in Hollywood.

### Warren Heath Makes Trip Into Mountains

Warren A. Heath, member of the Palm Springs fire department, spent the week-end at Fallsview, in Mill Creek canyon above For-

est Home where he and Mrs. Heath have taken a cottage for the summer.

Mrs. Heath went to the mountain retreat early in the summer and plans to return to the Village September 14.

Feathers enable a bird to resist heat and cold.

### Hicks Family Will Return September 11

Harold Hicks, well known local realtor and chairman of the Palm Springs War Bond committee, was in Palm Springs Wednesday and Friday of this week on business.

Mr. and Mrs. Hicks and four

children have been spending the summer at their ranch in Cherry Valley.

They will return to the Village for the season on Sept. 11 in time for the three older children to start school on Sept. 13.

The earliest birds are believed to have been water birds.

### Gottbehuets Visit Briefly in Village

Mr. and Mrs. Claude Gottbehuets, former widely known Villagers who are now making their home in Long Beach where Mr. Gottbehuets is an inspector at the Douglas Aircraft company, were visitors in the Village this week.

With a large party of Villagers, the Gottbehuets recently attended "Breakfast at Sardi's," popular broadcast program, and Mr. Gottbehuets won the prize of that morning, a Max Factor make-up set.

It is against the law to wash dishes with a dishrag in a restaurant in Montgomery county Md.

# Proclamation

## TO THE PEOPLE OF THE UNITED STATES

### Proclamation

RECOGNIZING THE FACT that in carrying the war into enemy territory, we shall need greater amounts of money than any nation has ever asked from its citizens in all history, I, FRANKLIN D. ROOSEVELT, President of the United States of America, do officially proclaim that on Thursday, the ninth of September, 1943, the Third War Loan shall be launched.

As Commander-in-Chief, I hereby invoke every citizen to give all possible aid and support to this Third War Loan drive, not only so that our financial goal may be reached, but to encourage and inspire those of our husbands and fathers and sons who are under fire on a dozen fronts all over the world. It is my earnest hope that every American will realize that in buying War Bonds in this Third War Loan he has an opportunity to express voluntarily and under the guidance of his conscience, the extent to which he will "back the attack."

The American people supported well the first and second War Loan drives and in fact did even more than was asked of them. Our need for money now is greater than ever, and will continue to grow until the very day that Victory is won; so we must ask far more sacrifice, far more cooperation than ever before.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

DONE at the City of Washington, this twenty-sixth day of July, in the year of our Lord nineteen hundred and forty-three, and of the Independence of the United States of America the one hundred and sixty-eighth.

By the President:

CORDELL HULL  
Secretary of State.

**S. P. Announces  
New Schedules  
Effective Sept. 12**

Changes in schedules, effective September 12, of Southern Pacific's Golden State Route and Sunset Route trains to help smooth the heavy wartime traffic flow were announced today by George B. Hanson, general passenger agent at Los Angeles.

Under the new schedule, the westbound Golden State Limited from Chicago will provide morning instead of evening arrival at Los Angeles. Leaving Chicago at 8:30 p. m., it will arrive in Los Angeles at 9:25 a. m. of the third morning. The eastbound train will leave Los Angeles at 6:30 p. m., instead of 8:30 p. m. arriving in Chicago at 11:30 a. m.

Starting September 12, the Californian on the Los Angeles-Chicago run, will discontinue carrying sleeping cars and will become an all-coach train. Tourist and standard sleeping cars, as well as coaches, will be provided on the Golden State Limited.

The all-coach Californian will leave Los Angeles at 3:30 p. m., instead of 5:00 p. m., arriving Chicago at 8:45 a. m. The westbound train will leave Chicago at 9:00 p. m., instead of 8:30 p. m., arriving Los Angeles at 12:20 p. m., instead of 11:00 a. m.

On the Sunset route to El Paso and New Orleans, the east-bound Argonaut will leave Los Angeles at 6:45 p. m., instead of 6:30 p. m., and the westbound train will arrive Los Angeles at 9:40 a. m., instead of 11:15 a. m. The westbound Sunset Limited will arrive Los Angeles at 7:45 p. m., instead of 6:00 p. m. There will be no change in the present schedule of the eastbound Sunset Limited, according to the announcement.

## Mrs. Frona Gill Receives Medal Awarded Her Son

Mrs. Frona Gill, 300 Andreas road, has received word from the government that her son, Pfc. Richard F. Gill, first Palm Springs youth to die in this war, succumbed to wounds received in action in the Solomons. He was a member of the United States Marine Corps.

She was notified that he had been awarded the Purple Heart Medal and Wednesday of this week, she received the medal, awarded her son posthumously in Washington, D. C.

Pfc. Gill was 20 when fatally wounded in action. He had lived in Palm Springs for four years before joining the army on December 14, 1941, a week after the Japanese attack on Pearl Harbor. He trained at San Diego and went overseas to the Pacific war theater on July 1, 1942.

## Villager's Son ...

(Continued from Page One)

ship in the world." Badly battered, it always brought them back, he said, intact and unharmed. That was in his last letter home, dated August 10.

Mr. and Mrs. Smithwick have two other sons in the armed forces, Vincent J., a first lieutenant, ordnance, now in Texas, and Frank L., in training at Kearns, Utah.

## HAVE NOT LOST HOPE

Mr. and Mrs. Smithwick have not lost hope.

"As Michael mentioned in his letters, crews of other ships that were forced down over Germany made safe landings and were now prisoners," Mrs. Smithwick said. "We feel that he and his crew are alive."

The Smithwicks are now at Huntington Beach and plan to return to their home here on September 22.

## Village Pharmacy Remodeling Begun

Building permit for alterations at the Village Pharmacy, 201 North Palm Canyon drive, was issued to Mrs. Zaddie Bunker, owner of the building, this week by the city building department. The remodeling job will cost \$200.

## Village Third ...

(Continued From Page One)

by the public. None of the bonds in this drive are to be purchased by banks and insurance companies.

It was estimated by the treasury department's war finance committee for Southern California that to put across the southland's quota, every wage-earner will have to buy an extra \$100 war bond this month. The quota for "E" bonds, most popular, is five times the normal monthly purchase, it was pointed out.

## EXPLAIN CAMPAIGN

At this morning's meeting at the bank, Mr. Hicks explained the plan of campaign for the third war loan to both of his committees, retail and residential.

Mr. Ingram gave further information on the bond issues. Fortunately, he said, the issues offered are about the same as those offered in the second war loan drive and therefore there should be no confusion. The interest rates have not been changed.

## COMMITTEES MEET

After the general meeting the two committees met with their chairmen to discuss campaign plans. Personal solicitation was emphasized.

The committees are short-handed and if anyone can spare the time to aid, they are asked to volunteer their services to Mr. Ingram at the Bank of America or Harold Hicks at 5353.

## Baby Boy Arrives For Army Family

Sgt. and Mrs. E. E. Meadows were receiving congratulations from their friends today on the safe arrival of a seven and three-quarter pound baby boy who was born to Mrs. Meadows at Torney General Hospital Tuesday night. The new soldier has been named David Edwin Meadows.

## Harry Simsarian Re-Opens Shop Here

After an absence of more than a year, Harry Simsarian has reopened his plumbing shop at 850 North Palm Canyon drive to give aid to Villagers in need of his services.

Mr. Simsarian was in the plumbing business for a long time in the Village before closing last year because of war conditions and shortages.

Villagers who know of his work will be glad to know that he is again ready to serve them.

## Plans for Busy Season Drawn by USO Board

With the addition of two WAC representatives as an incentive, the third meeting of the program council gathered around the conference table at the USO club last Tuesday evening, August 31, to discuss plans for the future.

The main result of the evening's meeting was the appointment of Cpl. Robert Pitcher, Ferry Command, as organizer of the Ping Pong Tournament and Pvt. Tom McWilliams, of Torney, as organizer of the Pool Tournament, both of which will start next week.

Tuesday evenings, from 7:30 to 11 p. m., and Sunday afternoons, from 1:00 to 4:00, were decided upon as the hours for the contests, which are open to enlisted men, WACS, service men's wives and junior hostesses.

## PHONE CALL IS PRIZE

The tournaments will be run on a monthly basis, with weekly winners playing in the final round. The grand prize will be a phone call to any part of the United States. Contestants are now signing up and it was decided by the Council to open the contests mainly for boys who enjoy the sportsmanship of the game rather than skilled players.

Another decision of the Council which should prove of interest to all, the new Sunday USO opening hours. From now on, the club will open at 8 a. m. on Sunday mornings and the pool will be available as soon after eight as cleaning operations allow. Coffee will be ready for the boys when the club opens.

## MANY ITEMS UP

Other topics brought up for discussion at the meeting were Wednesday dances; the announcement of a regular Saturday night dance schedule with out-of-town girls provided by the Sun and Sand Caravan of USO Mobile Service through Mrs. Marguerite Van Derwerker; the possibility of holding Spanish classes, swimming classes and dancing classes at the USO club; and the need of more publicity about the facilities of the USO for WACS.

Pfc. Frances Sganga and Pfc. Rosemary Stoffregen, WACS from the 21st Ferrying Group, were helpful in suggesting ways in which the club could assist their group. Plans were begun on a special WAC Sunday afternoon tea dance at the USO.

## AT THE SESSION

Those who attended the Program Council were Pfc. Don Scott and Pvt. Tom McWilliams, from Torney, T-Sgt. Phil Cohen, S-Sgt. John Hiatt and Sgt. Byron Mitchell, from the 22nd, Cpl. Robert Pitcher and Pfc. George Welch, from the Ferry Command, Pfc. Frances Sganga and Rosemary Stoffregen from the WACS, and Ann Hood, Inez Underhill and Carolyn Cobb, from the Junior Hostess Organization. Another meeting of the council will convene in two weeks. Mrs. Eloise Hirt, director of the club, and Miss Gail Sollender, assistant, presided.

## Seven New Captains At Army Air Base

It was a big week at the 21st Ferrying Group, Air Transport Command. Seven first lieutenants became captains, 11 second lieutenants became first lieutenants and 40 enlisted men moved up in rank.

New captains are: Donald T. Curry, John A. DeWolf, William A. Fain, George F. Hammond, Jack London, Jr., Samuel B. Mattison and James A. Price.

Men graduating from second lieutenant to first lieutenant were: Lts. Charles E. Greene, Harry F. Hunt, Robert R. Johnson, David L. Ekberg, Warren E. Bear, Morton Berkowitz, Leslie I. Ferrell, Lyle D. Murphy, Warren E. Renfrow, Boyd R. Van Metre and Alex Zletz.

## Locker Plant May Be Constructed In This Vicinity

Mr. and Mrs. G. N. Gray of Gray's Ice Cream manufacturing company have under consideration the construction of a "quick freeze" locker plant to serve the San Geronio Pass and Palm Springs areas.

The purpose of such plants is to preserve the vegetables, fruits and meats from the area in which they are located. These can be placed in the locker and taken out when the owner wishes to use them.

Mr. and Mrs. Gray expect to have a room for chilling and aging meat and to have a competent meat cutter to take care of the cutting, packaging, marking and quick freezing of meats.

## Four Missing ...

(Continued From Page One)

"We didn't know where we were going," said Miss Gilchrist, "but we soon realized we were going down the east slope instead of the west which would take us back to our camp."

"The first night we had a fire and it wasn't so bad although we were frightened," she continued. Sunday morning they built a big fire hoping to attract attention.

Then late Sunday they came to a place where they had to go through a deep pool to continue on their downward path and their clothing and matches were soaked which made Sunday night an ordeal.

## SIGHT PALM SPRINGS

Then came the time Monday morning when they climbed out on to a flat place on the mountain side to get around a falls. Below them they saw Palm Springs spread out.

"That pepped us up," said Miss Gilchrist, "and we went down faster."

In Palm Springs they were noticed wandering up the street by a woman who, because of their tattered and weary condition, notified police.

Police, to whom the alarm had been sounded Saturday of their disappearance, at once went to the scene in a police car and picked them up.

## PARENTS RUSH HERE

At the police station they told their stories and were soon fed, the first meal save a pickle found in a camp and some berries, which they had had in three days.

Parents, who had gathered at Idyllwild when the alarm first went out Saturday and who had spent an anxious week-end, hurried here when the word of their rescue was sent Sheriff Carl Rayburn by local police.

Except for some scratches and bruises, none had suffered injury but all expressed a disinclination to tour the mountains again soon.

## MANY IN SEARCH

Under direction of Sheriff Rayburn, three posses had scoured the mountain area for the youngsters, from Idyllwild and from Palm Springs. Fears for the safety of the trio increased when the girls' sweaters were found at the top of Devil's slide, at an 8,000 foot elevation.

The two boys were the first to be lost from the party when they essayed a short cut. Soon after, while wandering along a trail, they met the girls, who had also tried a short cut and had become lost. The four joined forces then in the effort to reach safety.

## Elementary ...

(Continued From Page One)

Donald Cole and Jean Nagel. Mrs. Nagel is also in charge of girls' physical education and comes here from a course at Pomona college. Eighth grade teachers are Marion Felberg and Margaret Van Druten. The latter also is in charge of domestic science classes. She is new this year and comes here from Beverly Hills.

Lucille Nixon is principal at the Cahuilla school and is in charge of the third and fourth grades. Geraldine Hayes has charge of the first and second grades there and Alma Gilbert, the fifth and sixth.

## STAFF IS COMPLETE

Mrs. Lily Apsan Cable is principal and in charge of the upper grades at the Cathedral City schools and Mildred Adams, new this year from Van Nuys, has the lower grades.

Special teachers who teach in all of the schools are Kathleen Rye, music; Katherine Khury, school nurse and Eva Franklin, art.

Mrs. William McCulloch will be bookkeeper and secretary in Superintendent Finch's office. Mrs. E. C. Day will manage the cafeteria for all the schools. Ruth Hartley will have charge of the switchboard.

## Air Mail ...

(Continued From Page One)

will begin.

Mr. Dick said that under the company's permit and service, letters mailed here in the afternoon could be, if specified, in the hands of the addressee in Los Angeles that same evening. Express ordered from Los Angeles late in the afternoon, would be available here the next morning, he said.

The tentative schedule contemplates one plane each way over the circular route each day.

A city ticket office will be established up town at the Chamber of Commerce quarters and also at airport where Mr. Smith is making the arrangements for setting up facilities.

The density of population in New York City's lower East Side has declined by more than 50 per cent since 1905.

## Eva Louise Tuttle Becomes Bride of Army Man in Ohio

Word was received in Palm Springs this week of the marriage of Eva Louise Tuttle, daughter of Mr. and Mrs. Horace Burt Tuttle of Palm Springs and Cleveland, Ohio, to Edward M. Hawkins of the United States army at the First Baptist church of Shaker Heights, Ohio, on August 14.

The Tuttle family, who maintain a winter home here at 218 South Palm Canyon drive, are very well known in the Village and have been spending their winters here for the past twenty years.

Mr. Tuttle achieved front page publicity when, despite the fact he was older than most of the others in the class, was the first to take flying lessons at the old Palm Springs airport twelve years ago.

## This Side of the Sun

(Continued from Page One)

necks wanted for Christmas. Wrist watches or watches of any type, topped the list. Next came pen and pencil sets, then toilet kits, hunting knives, pocket size books, candy, radios, billfolds, wallets, cigaret lighters, stationery, sun glasses, slippers, photographs, identification bracelets, rings. Now you know what to pick for that marine in the service overseas. . . . Vice President Wallace accuses big business of planning a program of scarcity after the war. He wants all-out production. Let's see, who was it that once ordered little pigs shot and corn and cotton plowed under?

**SAFETY** — Gasoline rationing and restrictions on speed have cut traffic deaths in the nation for the first half of this year 41 per cent under the 1942 figures. The trend is steadily downward. In the first half of '41, traffic deaths totalled 17,028. In the first half of 1942, 14,690. Between Jan. 1, 1943 and June 30, 1943, the total was 10,030. . . . While the nation's death toll was being reduced by almost half, in California the reduction was only 20 per cent. . . . Idaho has a four-man safety commission. But only two are on the job this week. The other two are in the hospital as a result of an industrial accident.

**NAMES**—Tell your correspondents to put your correct address on the letters they send you. "Palm Springs" isn't enough. There are several people here who have the same initials, and the same surnames and it makes for confusion at the post office and too many "opened by mistake" letters. . . . I once knew a judge by name of Holbrook who didn't like nicknames. So he gave his four sons all three-letter first names—Jay, Roy, Guy and Leo. And every last one of them was nicknamed "Holy" in school. And when they charge one cent a word for advertisements and telegrams and so on, its cheaper to live on Ocatillo than on Avenida de Los Palos Verdes.

**QUOTED**—"I can't give out the exact speed but I bought some Danish pastry in Ireland one morning and had it for dinner in Washington that evening," says Capt. Ralph Reed of the Air Transport Command. . . . In case you haven't heard from your boy in the European area, here's what the Navy censor told sailors and marines just before Sicily: "You cannot say you were in action. You cannot say you took Sicily single-handed or even that you were in good company." Lewis E. Kawes, formerly warden of Sing Sing prison has something in: "Why should the home front be demoralized by the father draft when there are thousands of healthy, able, willing and patriotic men who would give anything to get into the war? They can't get to their draft boards. They are in our prisons."

## Mr. and Mrs. George Lease Malt Shop From George Oliver

Mr. and Mrs. Harry George, who have had long experience attending to the wants of hungry Villagers, have leased the Malt Shop at 282 North Palm Canyon drive from George Oliver and plan to open for the season on Friday, Sept. 3.

Mr. Oliver plans to take a long rest and his immediate plans are uncertain, he said.

Pfc. Earl P. Spiegel, attached to the army air force, is now stationed at the Chico field, he informed friends in the Village this week.

Mexico produces 40 per cent of the world's silver.

## Council to Meet Sept. 15 at 9 a. m. is Board Decision

When city council meets next time it will be at 9 a. m. instead of at the usual starting time, 7:30 p. m.

The change was made because Mayor F. V. Shannon and Director of Public Works Ray Sorum are leaving for a meeting in the north early on the afternoon of Sept. 15, the date of the next council meeting.

At its adjournment Wednesday night council set Sept. 15 at 9 a. m. as date and time for its next session.

## Mr. and Mrs. Turonne Plan to Return Soon

Mr. and Mrs. Armand Turonne will be back on the Vill soon according to word to friends here.

They have been spending the summer months at San Jose and expect to leave there this week-end to return to Palm Springs for the season.
